THE REGIONAL LOAN FUND

The Central New York Enterprise Development Fund (CNY EDF) is administered by the Central New York Regional Planning and Development Board in partnership with the Central New York Enterprise Development Corporation – a non-profit corporation affiliated with the CNY RPDB. The CNY EDF is capitalized with funds from the federal, state, and local government.

ELIGIBILITY

The goal of the Central New York Enterprise Development Fund is private sector job creation and capital formation. Eligible borrowers include companies with less than 500 employees that have existing facilities and/or are locating new facilities in the counties of Cayuga, Cortland, Madison, Onondaga, and Oswego. Companies must be agriculture producers, manufacturers, or service-related businesses that can demonstrate they are bringing new revenue and wealth into the region (net wealth generators).

Funds can be used to cover real estate development, machinery and equipment, and working capital costs. The interest rate for all loans is established on a semi-annual basis and terms range between 12-60 months. All loans are secured by liens on collateral and the personal guarantee of the owners and principals. The loan will generally not exceed 50 percent of the total project costs and cannot exceed \$250,000. A 10 percent cash equity investment in the project is required by the owner.

ADMINISTRATION

All applications for financing are made to the Central New York Regional Planning and Development Board. Completed loan applications that are eligible for funding will be reviewed by the CNY RPDB's staff and submitted to the Central New York Enterprise Development Corporation's Loan Advisory Committee/Board of Directors for final consideration and approval. The CNY EDC meets bi-monthly. Loan applications typically take 60-90 days to process from date of completed loan application to approval and loan closing.
